“ I met Felicia at a gas station she commented on my tattoos and after that we were inseparable for years. I had to go away for a little while because of my own demons we hadn't talked for a while and I regret it. I miss you, bud, and I pray that you find the peace that you were looking so hard for here.

“ *Hadn't seen her for decades now, but I always remember her in elementary school. I was always happy to get put into the same class as her! She was SO pretty and SO nice and SO funny! Sounds like that never changed.*
