“ *My heart goes out to the Linder Family. Flordeliza will truly be missed... I'm very sorry for your loss. I did not know Flordeliza or the Family. But sharing some encouraging information about what hope that there is for our dead loved ones. What does the Bible really teach about the dead? Well Jesus Christ said: "All those in the memorial tombs (in God's memory) will hear his voice and come out...John 5:28. If you do not have a Bible, read it online at www.jw.org/en (go to the Publications> Bible Please draw comfort from Jehovah through prayer, because he is the God of all comfort this is shown at (2Corinthians chapter 1 verse 4 reads: Who comforts us in all our tribulation, that we may be able to comfort those in any sort of tribulation through the comfort with which we ourselves are being comforted by God.*

“ To the family of Flordeliza, my deepest sympathy for your loss, please find comfort in Gods promise to remove all of mankinds common enemy; Isaiah 25:8 (Amplified Bible) 8He will swallow up death [in victory; He will abolish death forever]. And the Lord God will wipe away tears from all faces; and the reproach of His people He will take away from off all the earth; for the Lord has spoken it.

“Lulu, Serge, and Family What moves through us is a silence, a quiet sadness, a longing for one more day, one more word, one more touch, we may not understand why you left this earth so soon, or why you left before we were ready to say good-bye, but little by little, we begin to remember not just that you died, but that you lived. And that your life gave us memories too beautiful to forget. Steve, our hearts go out to you in this time of sorrow, words seem inadequate to express the sadness you feel. We're here for you, remember we love and care about you. Let us know if we could be of any help, we are just a phone call away. Nanay, Ate Annie, April, Kuya Ed, Cora, Sonny, and Family, in behalf of myself and my family, may the comfort of God help you in this difficult time, Although no words can really help to ease the loss you bear, just know that you are very close in every thought and prayer. Serge and I have always called Flor Lady Di (as in Princess Diana) because of her gracefulness, and her refine manners, she will always be our beautiful Royal friend, and my BFF. Flor you have done a lot of great things in life that sometimes we never realize them. One thing I know for sure, you've helped and touched so many people's lives including me, I have always looked up on you as my model and my best friend, I just wished that I have said it more often to you. I will miss you and my whole family feels the same. Psalm 23 1 The LORD is my shepherd, I lack nothing. 2 He makes me lie down in green pastures, he leads me beside quiet waters, 3 he refreshes my soul. He guides me along the right paths for his name's sake. 4 Even though I walk through the darkest valley,[a] I will fear no evil, for you are with me; your rod and your staff, they comfort me. 5 You prepare a table before me in the presence of my enemies. You anoint my head with oil; my cup overflows. 6 Surely your goodness and love will follow me all the days of my life, and I will dwell in the house of the LORD forever.

“ Im truly sorry to hear about your lost. Flordeliza will definitely be missed by so many. One thing that helps me deal or cope with loosing a loved one is the scripture John 5:28,29. It stats " Do not marvel at this, because the hour is coming in which all those in the memorial tombs will hear his voice and come out, those who did good things to a resurrection of life, those who practiced vile things to a resurrection of judgment." Soon we will be able to see Flordeliza again because God (Jehovah) promises a resurrection hope. Also if you notice that it uses the term "memorial tomb" and not [Grave] which means Gods memory. Flordeliza seemed like a really nice lady, a person that God will definitely remember. I hope this gives some comfort. Dion R (Truth.1914@yahoo.com)

“ I knew Flora from Jerry and Connie and Jerry Szirtes. She was a wonderful person who brightened up everyone's life. It is a sad loss to the medical field too to lose such a fine nurse. May god give you strength to overcome your grief and go on with life the way she lived it.

“ My family and I extend our deepest sympathy to Steve and Flor's family. I will always remember Flor as a great friend and a mentor. She taught me how to be a great nurse when I didn't know much about nursing. I will always treasure what she taught me as a graduate nurse: compassion! May you rest in peace.
