“ *Happy Birthday Boss Lady! All the good girls are born in May! =) I love you and I miss you everyday although I know you are still with me my friend.... This time last year I was ill and you were calling me everyday so worried about me. That's just our bond, and it will never fade. So, as I end this I will place a flower in all your spots in the building. In memory of you.*

“ *Flo Jakubiec always missed, never forgotten. My best friend and my biggest fan. She always knew just what to say for a laugh. Always knew every lyric to a song or actor or actress or movie title and year! She always treated every person like they were her favorite person in the world. I love you dearly and my heart aches to have you back... But our memories will live on forever.*
Love Tracey
