“ I have so many wonderful memories of the time we spent together as I was growing up. Making tissue flowers at our house for the wedding cars, wearing fingerless lace pink gloves that matched my flower girl dress.... I felt so grown-up. Lunches, going out to our home when the area was so undeveloped, camping with you and Uncle Jim. I will always hold a special place in my heart for you!  
Love Kathy

When we were growing up, You were always there for us. I remembered that and tried to model that as a parent myself. Thank you.
