“ I am so sorry to hear about Floyd's passing. When we first moved to Westland, Floyd was one of the first City employees we encountered. We encountered him quite a few times up until the time he retired from the City. He was always so polite, friendly, helpful and I remember how his eyes just twinkled every time he talked and smiled. God bless you, Floyd. And condolences to the family for your loss.

“ Kris and I have been friends with Floyd and Vivian for more than twenty yrs. They have both been the best friends anyone could want. Floyd always was ready with technical advice or if he could jump right in and help me. He did a great deal for us helping to improve our airport property here in FI and would not let us pay him anything. So I took Floyd for many a plane ride probably against Vivian's wishes. I think he enjoyed flying and meeting folks at other airports. So many times Floyd and Vivian have been there for us and Floyd will be sorely missed. I will miss our talks long distance about politics and the state of our country. My dear friend, we consider you family and will miss you. RIP my friend.

“ *I only knew Floyd for a short time, but I will never forget what an impact he made. I will forever remember the twinkle in his eye when he was talking about the shenanigans of his younger years, his chuckle when he was up to no good and how charismatic he was. He has always been one with a good story partaining to whatever was going on in your life at the moment and advice on how to get yourself out of a jam. He will be deeply missed by those who have gotten the chance to have known him in their lives.*

“ *Floyd Mcmillin was a great man, a great mentor, and an excellent friend to me. I will always miss him, his amazing jokes, stories, and his helpful guidance. The first time I met Floyd was at a yard sale he was having, I stopped by to check it out for a few moments and stayed for hours. We all know Floyd could talk your ear off and I couldn't help but hang on his every word. We were so many years apart yet so alike. His work ethic, creativity, patience and motivation captivated me and made me want to follow in his foot steps and be as strong and passionate as he was. I couldn't ask for a better friend and I most certainly couldn't find a better teacher. I'm so very grateful to have met Floyd and Vivian, they both have had a very positive influence on my life.*
