“ *Wes, I am so very sorry to learn of the passing of your father. I have fond memories of playing snooker on his billiard table and him looking on with a bit of a twinkle in his eye. And he always seemed to enjoy bringing home a 'new' antique object to decorate his home. I used to kid him about all the old stuff he used to collect. My thoughts are with you, your mother, and the rest of your family, during this difficult time.*
