“ *Julia, Carlos, and Roberto, Words cannot begin to express the grief we felt, when we just found out about Fouad. Our kids were such good friends when we lived in Westland, and we are heartbroken for you. God bless you with peace and acceptance.*

“ *I dearly miss Fouad. I remember when he and Roberto would come over to my house just about everyday to play different sports in my backyard. Or sometimes when i went over to his house we had a blast playing hide-and-seek in his basement. He was a great friend, and I will never forget the memories I have of him.*

“ *I will miss Fouad dearly. I remember when he and Roberto would come over to my house just about everyday and we would always play some sort of sport in my back-yard. Or if I went over to his house we had a blast playing hide-and-seek in his basement. He was a great friend, and I will never forget the memories I have of him.*

“ *Julia, words cannot express our deepest sympathies and sadness felt within all of us. The love you have for all of your boys was always easy to see with the smile on your face. Sorry we were unable to attend Foo-Foo's service as we got back into town at 5am that morning. Just know our hearts go out to you, Carlos, and Roberto and should you need ANYTHING don't hesitate to give us a call. You know how to contact us. We love you all and continue to pray as God and Jesus walks with you and continues to cradle your head in moments of immense sadness. Much love, Sheila, Paul, Jessica, and Mario-Vincent.*

“ *Please accept my deepest sympathy and prayers. My heart was broken when I got the call from Carlo. I cried for hours. The entire Haddad family have always treated me like one of the family and I feel I've lost one of my own brothers. Due to health problems, I'm not able to go to the funeral, However I want the entire family to know that they are in my prayers. God Bless*

“ My heart goes out to the Haddad family. May Fouad be at peace and resting in heaven's beautiful kingdom. May he be dancing and singing with those who left all too soon. As a mother my heart is broken for you. Please know that you are in my thoughts and prayers. May God walk side by side with you during this difficult time. God bless you!

“ I was very sorry to hear about the loss of your son Foud. He was in my classroom for Science, and I still remember the day he chose to read for me out loud in class. It was huge! It made me very happy he trusted me enough to try in class. God Bless you all. My prayers are with you!
