“ *Fran was instrumental in taking our Romeo-Washington Chamber of Commerce from a social organization to a vibrant effective business organization that was well respected by the local government, business, and residents of our area. She was never detoured by the obstacles put in the way of the chamber. Loved Fran. Blessing to her family.*

“ *So many memories, so little time. Fran & I were close friends for many years, beginning with my joining the Plymouth Chamber as a fledgling business in 1994. She was kind and vivacious and a power to be revered in our Community. I will miss her greatly. Rest well, Fran, in the knowledge that you made a difference to so many people in Plymouth.*

“ *James D Anulewicz and Kelly McCarty*

We are out of town but will be with friends and family in spirit. Fran always had a smile on her face and a kind word for you. She contributed to the Plymouth community in so many positive ways. Thank you Fran for all you did to make the Plymouth the positive community it is today

James D Anulewicz - October 18, 2017 at 09:49 AM

“ *Fran was one of the kindest, most generous people you could meet. She always had a smile and sweet words each time I saw her. And I was always so impressed with the way she dressed impeccably for even a simple trip to the market.*

She is a wonderful woman and she will be missed dearly.

“ Fran was a very special lady. We moved our business to Plymouth in 2002 from Dearborn. We were greeted by several business people in Plymouth (I think Fran had her hand in it.) Fran then came by our office and welcomed us to Plymouth. She then went on, and out of her way, over the next year and onto her retirement to introduce me to many of the “movers and shakers” of Plymouth.

Needless to say, I have never before or after that received that kind of warm “hometown feeling.”

Fran was number one in my book, she will certainly be missed.

Fran was a one of a kind both as a community leader and a friendly thoughtful person. Most recently she worked as a receptionist at Independence Village where I saw her on a regular basis. I'm so sorry to hear of her passing.

We met at Chamber of Commerce Institute, on the Notre Dame Campus, South Bend, Ind. the summer of our first year of five which would give us accreditation as Chamber Directors. We just hit it off, loved the grotto at Notre Dame, shared many things and kept our friendship going for several years, even after I left the Chamber in Lapeer. Fran's humor, gentleness and kindness drew me to her, as did the ability to converse about a variety of subjects. She is with the Lord now. May God rest her soul.
