“ I’ve known Fran since 1989. When I first meet her she called me Sue even though that’s not my name but I fell in love with her and it didn’t matter what my name was. Fran called me Sue. She even called me Susie-cue or just Susie. I never ever minded because it was Fran. I loved her with all my heart and shall miss just as much. I miss you Fran.

“ Miss Franthe best neighbor & class act! We’ve lived next to Fran for many years & have enjoyed her wit, wisdom, & generosity. Our boys loved to help her out in any way they could. They “grew up” lucky to have another “grandma” living right next door! I enjoyed listening to her wealth of information & stories....not to mention how many times she embarrassed me in cards & games! She truly was a special lady who was a dynamo that could NOT sit still.....always on the move! She lived a very long & fulfilling life and will be missed terribly...Fortunately, we will have the next best thing to Fran, her daughter, Cathy, to settle next door and continue Fran’s legacy!

“ Carpet One was a second home to my late husband Dave Fisher doing projects for Fran and Carl jr. I have fond memories of their phone calls "Is Dave there?"
Our Father has called Fran home. She's in His care. Many blessings to her family where her spirit will live on in those who love her.
Take care
