“ *My Condolences to the Happ family. Although I did not have the pleasure of knowing Mrs. Happ..I was her son Jim's Oncology Nurse. He was a wonderful man and I sure do miss his smiling face walking into my Clinic. Mrs. Happ did a wonderful job in raising him...an apple doesn't fall far from the tree....*

“ *It's difficult to express our sorrow at the loss of Your Mother and our . sister-in-law and friend. We had many happy hours together. I think back during school years when your Mother really got me going on ice skates. There are just too many good times to mention. With love to all Aunt Marie, Uncle Jerry, and Roger*
