“ *Fran (Mom) I am so happy that we had so much time to laugh and cry together. We shared a bond that was so unique that it will never be replaced. I loved your southern drawl and the funny things you said instead of cussing! You were a strong woman that lived life like you were on your way to heaven...I am blessed to have known you and loved you. More importantly it was wonderful to be loved by you! I will miss you as long as I live.*
