“ Dear sweet Mrs. Masse, You were always a true light in our church and in our lives. We will miss you so very much. I am so happy that I was able to see you mere hours before OUR LORD reached down and so lovingly took your hand and brought you to Heaven with Him. We have many special memories and pictures of you and will cherish them. You have the sweetest personality and a delightful laugh. Anyone who knew you, was sure to know of your love for the LORD and you would share with them how they could be saved and know they would go to Heaven when they die, which is where you are today. When you see my Mom please give her a hug for me and tell her I miss her and Love her. Love you Mrs. Masse, thank you for being you and accepting us as we are. Love and Miss you, Your Friends Norm and Jeanne II Corinthians 5:8

“ We only had a chance to meet Aunt Frances a few times many years ago when we were just kids. However we feel like we knew her and Uncle Marce well from the stories our Mom would tell us. We are thinking of you during this difficult time.

“ My brother Maurice and I were so sorry to hear that Aunt Frances had passed away. We often recall the fond memories when she and Uncle Marce would visit our Mom and Dad (Walter and Isabelle). When Aunt Frances was around we always had so much fun. Please know that we are keeping all of you in our thoughts and prayers.

“ Mrs. Masse will be missed, by all at Prayer Baptist Church. She has always been a blessing to us many times. We know she was saved by her trust in the only begotten Son of God. To be absent from the body is to be present with the Lord. Thank God, she is with Him now.

“ What a wonderful Christian Lady! Although I did not know her real well. The few times I spent with her, before leaving she would always say, "I Love You"!! She is known amongst my friends as a woman who loved the LORD Jesus, loved her church, loved her family and loved people. She loved being with nature. I know she will be greatly missed. ~ Nickie L.

“ Mom, you will never be forgotten. I will always remember the fun times we had together. You always had a smile, and knew how to make everyone laugh. Some of the things we would do or say to you would bring tears to our eyes because we would all be laughing so hard at the unexpected response we got from you. Give dad a big hug for me. I love you very much. Joan

“ The Queen of Westland has finally entered His Gates and is welcomed home. We will remember the happy times she brought us all in her own special way. What a joyful time it must be for her now to see her family in heaven, and be in the arms of her Lord Jesus.
