“ *I am so fortunate to have spent the hours with Fran (MOM). I always felt that God gave me back my mom through Fran. We spent so much time sharing stories about her life and mine. She often told me how much she loved her children and grandchildren. She is a remarkable woman and my buddy forever. Thank you Dave and Kathleen for bringing me into your family. I love you for that. Love Forever Marlene*

“ *Dave & Kathy, My thoughts and prayers are with you as you celebrate Aunt Fran's life today. I always remembered her with bright red lipstick and chuckled to see this lovely photo! As a child, she was a glamour queen to me and I can still hear her laugh. My desire is that we can connect after my family moves back to the states this summer. I would love to hear stories of her life since my most memorable visit in their home during my college years, so long ago. To honor the memory of your mom, Dad, Don, Gary, Joy & I gifted the Angela Hospice. Warmest Regards, Cheryl Spessert*

“ Dear Kathy and Dave, Thinking of you as you are passing through this time of loss. When we have them all of our lives, are we ever ready to say goodbye for now? When I think of Aunt Fran, I remember her tapping to the tune of a country song at Grandma's house. She seemed so cheerful and peppy! I still have the Santa Bear they got my first daughter when she was little. I wish you all God's comfort and joy and peace. Maybe someday we will get to see you all again. Take good care of each other. Sending my love to you both.

“ Dear Dave and Kathleen, My heart goes out to you both in the loss of your dear Momma. Although I never had the pleasure to meet her, I know what a wonderful lady she must have been to raise two wonderful caring children such as yourselves. My prayers are with you both and the rest of your family.

“ Dave and Kathy-- Thinking of both of you as I read Aunt Fran's obituary! May God's grace and comfort be with you and all members of the family. You Mom was a dear and sweet person. I sit here recalling her warmth, her laugh, and her interest in others. I recall being in her home and experiencing her encouragement and hospitality. I still remember with delight the visits your family would make to New Castle when we were all just kids. How the years fly by! Would love to see you all! Our love and prayers are with you in these days! I'm thanking God for your Mom! Warm regards, Don and Jane

“*Dave and Kathleen, I'm so sorry to hear of you Mothers passing. She was a wonderful lady and had a unique insight to her. We shared many spiritual, political and humorous conversations, she could be so funny at times. I will remember her always with her newspaper on her lap, eating red grapes... "they have to be crunchy or I dont bother" she'd say, " Dave will bring me fresh ones". She will truly be missed!*
