“ Frank and I played ball for Pete’s Bar in the 70’s. A good guy and ball player.

To Frank, save me a seat at, what I’m sure, is a rollicking Pete’s crew in heaven.

To the family, may you find comfort in the memories you made with Frank.

“ Frank was a member of our holy name fraternity At st Mary cause of our Joy. He was always a hard worker with a smile at our pancake breakfast. At one pancake breakfast, Frank recognized my mother-in-law by name after 50 years as a reunited classmate. Ever since that meeting he would always ask how she’s doing and what she was up to. He will be dearly missed.

“ Frank was my Unfair Weather Friend. I've been hoping for a sign from him and I got one. I looked at my phone at 1:35 pm this afternoon and the screen said 'Call Frank!' So, even my phone knows my heart and mind are filled with thoughts of Frank. Frank and I talked frequently. I loved texting him images. He didn't text but he called me. I'm disappointed he went before we could discuss this weekend's sporting events - Tigers, Wolverines, Lions. I will miss his insight about sports and life. Especially life. Frank was kind, patient and positive. I'm not in a hurry, but look forward to seeing him someday.
