“ *My dearest Paula and family, I have such fond memories of your parents and I cherish the honor & respect you held for them (even though you referred to them by their first name!:)). I grieved when you left AL, and today I grieve for you even though I am in AL. Bless you and thank you for the love you have shared with me - you and your family have taught me great life lessons, especially by witnessing your great faith in God. Dear Frank is "lifted high in honor" and he has now gone home - he now has a birthday into eternal life.*

“ To all the family of Frank Mac, I send you my sympathy for the loss of this special man. I knew him only as an older man, but the twinkle in his eye and his warm smile betrayed a youthful spirit that one could not miss. I know his passing leaves a void in all your hearts. May your wonderful memories of him and your times with him help ease your pain and keep him close to you always. My thoughts and sympathy are with you all.

“ Dear Mac Family, So sorry to hear about Frank's passing. What a wonderful man full of life and love for friends and family. At a time when character and morals are often overlooked, Frank provided a shining example for us all. I was so fortunate to have been involved for a time with the unique and special traditions shared in your family. I still look forward to making Gumki a couple times a year at the holidays. May God ease your pain at this time of loss and provide a wonderful peace and joy in the hearts of all who share in the celebration of Frank's life with you.

It was wonderful to hear that he spent his last day doing things he so enjoyed and got to be with some of those he loved. It seems so rare an occassion to have that last day to share a beautiful memory. I'll be thinking of you all and keeping you in my prayers.
