“ *Thinking of all of you and reflecting on memories of Uncle Frank. He was such a quiet presence so his dry sense of humor came as a surprise. Sending love and heartfelt prayers at this sad time.*

“ *Frank and I go back many years. We worked together at GM and shared many other interest. Both of us had a real interest in classic cars, particularly Pontiac GTO's and of course corvettes. He loved driving his vette. We would take Angie and Joan on road trips in are vetts. He will be missed.*

“ *Real sorry to hear about Frank's passing on. I have many good memories of growing up with Frank (we also knew him as Francis). Frank, Jules, Tom, my brother Ed, and I hung out together. In high school Frank, Chink, Booger, Jules, Lenny, and I would often survey the county with a case of beer. Frank had the car. No memory loss when it comes to those 'old days'. I remember when Frank met this gal from Michigan. She must have been really something special. He left Minnesota and moved east. I hope all our memories remain fresh and vivid.*
