“ *Kathy, Maureen, Chris, and Family, The Carmichael family loves all the great memories on Geneva Street. We enjoyed Halloween marshmallow roasts, riding your bikes, cook outs at Commerce Lake, Our Lady of Fatima classmates; ditch them late at night, swimming in blow up pools to name of few benefits of being neighbors. We loved you're Dad's sense of humor, kindness, generosity, and being our parents best friend. Our thoughts are with you and your family. Keith, Nancy, and Connor Young*

“ From the first time Frank sent "Precious Kitty" over to welcome us into the neighborhood, I knew he was unique. Frank's thoughtfulness and friendship made our neighborhood special, from a basket of homegrown tomatoes to a cold drink for a hot, thirsty mailman. But it was his love and devotion to Geri that set high standards for all who knew him. He was proud of his children, and loved to brag about his grandchildren. Frank always had something interesting to talk about, whether it was his exploits during the war, or some testimony in a past trial. He set his expertise to help the "little guy", and made many lives better because of his efforts. His ready smile and teasing nature will be missed by many, but we are all better friends, spouses, parents, "humans" for having known him.

“ Keith & I have great memories of Uncle Frank out at Commerce Lake. We always enjoyed his stories and wonderful sense of humor. I remember one outing at the lake at age 8 when Uncle Frank let me borrow his swim flippers. After the swim I only came back with one. After fretting for an hour about telling him, much to my relief his reply was "no problem". Gotta love Uncle Frank ...Keith

“ Frank was a wonderful, caring neighbor and friend. We shared a love of gardening and gambling (bingo at the church)! He was what is often referred to as a "character" . . . he will be missed.
