“ I just found out about the passing of your Dad. He was such a great person and will be missed by many. I owned a Meat Market close to Frank Jr. Pizzeria and he would come to pick up their order - Always Happy - Always had a Smile for you- made you feel good to have such a great customer and friend! Mike (my son) loved your Dad too and he lives in Wisconsin now and called me to tell me the sad news.

Cute story to share with you - One day he came to pick up his meat order - Mike loaded up his car (with hatchback) - they talked and your Dad drove off - Mike turns around and the hatchback was open and off goes Frank - Mike was waving and yelling at him - he sticks his hand out the window and waves back! So funny - next time he comes in we asked him if he knew and did he get to the Pizzeria without losing his order. Frank smiles and says "Well when I got to the Pizzeria I didn't have to open the hatch - no big deal - all was good! " Didn't sweat the little stuff! Your Dad knew how hard we had to work - because he did it - and he gave me a lot of good advice on the business world and personal life too. I will keep your family in my thoughts and prays during this most difficult time. Memories and sharing your Dad's legacy will keep him close and he will Never be forgotten - I know I am thankful to have crossed paths with Frank - he gifted me just because he came into my life!

God Bless -

“ *Our thoughts & prayers to the family. We loved walking into Mangia & seeing Frank sitting there just chilling out. He introduced us to Mama's Stuffed Pizza by offering us a slice of his. Always a nice guy to talk to. Would see the Mangia delivery vehicle driving around and it would be Frank most of the time. Loved hearing Josh's stories of out delivering or running errands with Frank. He will be missed! Philip & Cathy Trussler*
