“ I worked for Frank at Mangia's when I was in high school. He was a good manager, and he was a fun guy to be around too. May he R.I.P.

“ *The best 10 years of my life were spent with you! I will always love you my MH! My heart is broken that you are gone, but I will see you again! I hope you and Joey are riding your Harleys side by side in the most beautiful places, looking at Birds of Paradise! Goodbye for now, until we meet again.....*

“ Wow. Met Frankie, Frank, Tony in the late 80's at Alcamo's in Dearborn. Then was a regular customer and used Chimento's for catering in the 2000's when I worked in Livonia. Then at Mangia. Will definitely be missed and gone way too soon.

“ The Siegrist family share in the sadness of this good man's passing. We have known the Chimento family since the early 90's and loved them all. We always felt a part of the family. They catered for so many special occasions and were part of the family gathering as well. We have been blessed having them in our lives. You will be missed.

Honestly the world needs more Frankie’s in it. So sorry for this loss but thank you Frankie for all the giving you gave to all of us. Rest in peace! 🙏

“ *The Pinto family has been long acquainted with the Chimento family dating back to the days of the Italian market on Plymouth Rd. Frank will be fondly remembered for providing food for many of our family celebrations. Most recently Frank opened the doors to Mangia for the West Side Music Social Group. Food, family and fellowship is a legacy Frank leaves. You will be greatly missed! May you rest in peace!*

“ Frankie, you will be missed by the Dorland & Reinhardt families. From you and Laura catering my son's wedding to baby showers and baptisms you always did with a smile. I retired 8 weeks ago and the one thing I miss was hearing Laura's phone play the theme from the Godfather. I knew you were calling your big sister. It made me smile everyday while I was at work. Frankie's smile lit up a room and Laura was so proud of her brother. God Bless your family and my family sends prayers of support to you all. Love and hugs. Tearfully, Rick, Paula, Matt, Kristen, Marlayna and Killian.

I remember Frankie and Joey both from Woodworth Middle School in Dearborn when I first started teaching (I am on year 38 and still at Woodworth). Both of the boys were a pleasure to have as students and they always made me laugh and smile with their wit and charm. Their mother was always very supportive of them and our school. Many many years later I ran into Joey at the Italian store on Plymouth road and it was such a pleasure to see a former student develop into such a successful individual. I also remember the family ties at then my favorite Alcamo's in Dearborn. I am so sorry that we lost one of the good one's way to early. May you and your brother "Joey", as we called him at Woodworth, reunite and may you rest in peace 🙏. In good memory, Cheryl Gronau
