“ *The Best Big brother and friend anyone could ever have. I was truly blessed. Thank you God.*

Frank, I know you are in heaven with God, our parents, all those who have gone before us, and most definitely with all our puppies. I'm sure they are all climbing all over you just licking your face off - they are so happy you are home. Give them hugs from me and Silki. 'Til we meet again in heaven - Love you and miss you.

Frankie, I always looked up to you as my older and wiser brother. You were a person that did not say much but when you did, it was something I better listen to.

At church this week Father Joe said we would renew our Baptismal promises like our Godparents made for us. It hit me that you, at 14 years old, made those promises for me and I am so thankful you did. I know you are with God, mom, dad, and all of our loved ones having a celebration for your homecoming. Please watch over all of us with mom and dad.

I love you Big Brother! Until we meet again 🌈

Frank was a true friend who was loyal, generous and kind. We were best friends for 55 years and never had an argument. I will miss him very much.
