“ All God's best as you go through this difficult time. We always enjoyed visiting with your dad and sharing Navy and Air Force stories. You are in our prayers. We picked "blue" on his flowers in memory of his Navy experiences. Buz and Sharon

“ Michael and family. We are so sorry to hear of your father's passing. He was my parents best man at their wedding 65 years ago. We have many memories of your family visit to Torrance as we were growing up. Please know that our family is thinking of your family during this difficult time.
