“ *Dear Frank - Our lives unfold like a broad highway. You have traveled long and wisely. You have a good family, friends, a fulfilling career in education, military service as a United States Marine, and a golden retirement. It makes me deeply sad that our shared time is ended, but your spirit survives. Journey on, dear brother of mine. Love, Penny*

“ *Frank was such a great neighbor at Rivergate! He loved working outside to make his place look “picture perfect!” And, boy it sure did! He had the prettiest deck in the neighborhood and his landscaping always looked “beautiful!” He motivated me to maintain my place too. Lol. Frank, I will miss your warm smile, your kind gestures and seeing you outside practicing your golf swing. Rivergate will never be the same! I am shocked and so saddened by your passing! God Bless You and May you Rest In Peace, Frank! With my deepest condolences to his Family and Friends! Judy Bianchi*

“ My name is Terri Van Poperin and I worked with your dad for many years at Webster and Churchill High School. He ran the wood shop and together he and our special needs students filled the table at our annual craft fair with many projects. We, students and staff, will miss his big heart and his friendship. So sorry for your loss.
