“ For the last 18 months, I worked for Fraser and his wife helping them in their home. Fraser and his wife Marie became my friends. I will deeply miss Fraser and his text messages that Darth (his cat) would approve of the time I should come over the house. We had similar views on things, so it was really nice to talk and joke around with him about that. I am heartbroken. I am glad I got to know him and help him out around the house. I will truly miss him. Rest in peace Fraser. I will be here for Marie when she needs anything.
