“ Jeanne, My sincere sympathy to you and your daughter and the entire family. My memories of Fred go back To St. John's in the 70's. I still have a copy of a Confirmation program he developed, and will always remember his music skills of which I was always envious. He had a wonderful sense of humor, an infectious laugh. A very caring and compassionate personality. Was so good to meet with you on a trip to Grand Rapids. My prayers, and love to you for the days ahead. He will be missed.
