“ Our sincerest condolences go out to the entire Foust family during this sad time. Fred was an inspiration to all of us. He showed us that no matter how old you are, you are never too old to enjoy everything that life has to offer. We will never forget all of the fun we had together at Glen Lake & his list of fun things to do. Most memorable were: Taking one of his antique cars out for a ride around the lake to get an ice cream; “Happy Hour”; and of course water skiing. He taught Elaine and I how to waterski. Then, much to our surprise jumped in the water and demonstrated how to ski. First on two, then on one ! At age 70, no less. This was one small chapter in Fred’s life, but one that left a lasting and memorable impression on us all. - Michael, Elaine, Alison, and Jonathan Marotta

“ Fred was among the most honorable and generous men I have ever met. I remember making a scouting visit to Maryland with him in 1988 for the Kiwanis popcorn wagon. I will miss him and my heart and prayers are with his wonderful family.

“ Dear Joyce and family, We were sorry to hear about Fred's death . What a fine Christian gentleman. I remember when we first came to Plymouth to practice dentistry and how kind and welcoming he was and that he referred patients to me while other dentists told me it would be better to go somewhere else. I also remember how he came and played battleship with me after my prostate surgery. God bless You as you carry on, our prayers are with you. Don and Cora Davies

“ God saw you getting tired and a cure was not to be, So he put his arms around you and whispered "Come to me". With tearful eyes we watched you, and saw you pass away, And though we loved you dearly, we could not make you stay. A golden heart stopped beating, hard-working hands at rest. God broke our hearts to prove to us, He only takes the best. You will be missed. With Love --Jackie
