“ *Evangelist Kaun was like a Dad to John and myself after our Dad passed away. He was a very special and loving person. I am very proud to have been part of his life. Our family loved him very much and respected him extremely. His prayers have helped us through many circumstances. My grandchildren have fond memories of him with the stories that he told them when he was young and also of myself and my brother when we were younger. He is now up in heaven with Aunt Ella and all the friends and family that went home before he did. We love you very much and will miss you extremely.
Love, Judy*
