“ *Fred's birth daughter, Tina Oltersdorf, is my adopted sister. I'm not
sure whether she knows that Fred has died and if she was in town
for the funeral. But, I wanted to make sure that I sent my heartfelt
condolences to Tina and the family. I hope that you find comfort in
your memories at this difficult time. I'd also love to hear from Tina as
she is thought of often and I miss hearing from her.*

“ Loving memories last forever. Freddy will be missed very much by Oren, but he will always remember the fun they had together while raising cane in good old Ann Arbor. I had just met Freddy in Aug. 2005 and felt he was a wonderful, kind, gentle person. Had a great time talking to him about my brother who died in 1971 who, to my surprise Freddy knew. Small world isn't it? Now, Earl and Freddy are chatting about everyone they knew in their new life beyond the pain and suffering in this world. God Bless to all who read this.
