“ *As a colleague and friend of Mickey's, I send my expression of sympathy to the Williams family. I lost my own father at too early of an age 29 years ago this June. What I can tell you is that your love transcends far beyond the final resting place, memories never diminish, and thankfully time has a way of easing the sorrow. God Bless All of You.*

“ We are so very sorry for your loss. Our thoughts and prayers are with you.

When we think of Rick, we feel Happy, because he ALWAYS made us laugh!

We think of beauty, because he wAs a very artistic and creative man. Creating such beautiful pieces with his wife Gail. We will treasure our 2 mini Christmas trees lhe and Gail created, in addition to my Holloween witch!

I(Kim) give thanks for Rick's life because , Frederick "Rick" Williams , produced my Bestest Friend, Mick. He raised her and taught her so that when she and I met we became fast close Friends.

I'm sorry we could not be there in person to hold your hands and tell you face to face how special of a person, your Husband, Father, And Grandpa was. But you must know we are hugging you all from here and feel Blessed to have known him.

“ Mickey, my thoughts are with you and your family as you navigate a sadness of such unmeasurable depths. Your father's eyes and smile still brighten the world through your own, and it's not hard to see where that spark of mischief in you and your boys springs from...My condolences to all who knew and loved him.

“ As a working colleague and friend of Mickey's, I wish to send my deepest condolences to her family in the passing of her father to the Spirit in the Sky. It's tough in accepting the Circle of Life at times but the Circle is never broken when one leaves behind the loved ones that he has nurtured and shared the joys and memories of life. Mickey, I see you have your father's smile and may God Bless the Williams family.
