“ *My thoughts and prayers are with the family members of Garry that I met and know he loved so well (his sons, his brother and sister Bonnie). He spoke lovingly of his late wife, his sons, his sister and brother, and, of course, his dogs. He so wanted to be around much, much longer for his sons. He was a dear man and will be greatly missed.*

“ *Gary was always happy! Even his last few days in the hospital he was very positive and upbeat! We lost a good friend and family man. One of the nicest people I have had the privilege of knowing. He is with Laura now, and smiling bigger than ever. We love you both, and will never forget your kindness and love!*
