“ I worked with Gary in the Farmington office with Rick Walsh, Al Criss and Bob Sudkamp in the early 1970's. I was always impressed with his intellect and dry humor. He was truly a unique person. Very honest in all my dealings with him. I'm sure he had a rewarding life and will be missed.

“ Over the years Jim and I enjoyed Gary's wit and fun sense of humor. Interesting conversationalist and engaging personality, we looked forward to being with him. We shared Carol and Gary's love of U of M sports and Jan especially appreciated being with both of them at the football and basketball games. We will miss him.
