“ In late 1976 after HS graduation my brother Greg reached out to Gary on my behalf to arrange an interview for a Computer Operations job at King Seeley Thermos in Ann Arbor where Gary was Director of MIS. The Operations Manager gave a thumbs down after our interview as I had no real job experience. Gary overturned that decision and basically created a job opening for me. We worked together for less than 18 months before the company relocated to Illinois. I believe his kind gesture was critical to my successful career path. During one of our last Super Bowl Soiree dinners together, I conveyed my gratitude.

With the friendship, you also get a bonus, Gary the prankster... During a Friday night after work HH, he asked the host, “would you please provide me a pair of scissors, kind sir? Why certainly, let me get those for you, person I’ve never met”.. Gary proceeded to resize my tie with that same smile he has in the tribute picture. Left me with little more than a Windsor knot...

Gary liked BIG cars, I remember riding around Southfield with he and Sharon in this massive Town-car, thinking I was a true rock star.

*Loving wife and family for a “lifetime”, quite an achievement. Add select member of the “Fab Four Hog Nose Crew“ for 50 years, I’d say,
well played my friend, well played!*

“ As Mike wrote so many wonderful memories. I met Gary and Sharon 50 years ago when we worked at Kelsey Hayes Company. Gary took me under his wing and taught me computer programming. He taught me that hard work and sacrifice would lead to a great career. He showed me the way. In addition to working hard we took time to play hard, and enjoy life. Euchre at the bar after work, softball, horse racing, Budwieser in a bottle, gin and tonics and of course our annual superbowl trip with Mike and Denny. I am pretty sure when my time comes Gary will be waiting for me and have everything figured out. He will then say "Are you ready..... let's be somebody"

*Although it has been many years, I have many happy and fun memories of Gary and Sharon. I was fortunate to attend a few of those 4th of July parties (and crash a few parties in Florida) where a good time was always had by all - Gary was such a fun-loving person to be around, you couldn't help it!
Sharon - my heart hurts for you and your family with this devastating loss. Please know you are all in my thoughts and prayers.*

Much Love ~

“ So many good memories of our times together. Lots of 4th of July parties with Sharon, a young Kris, a teenage Jeff, and our growing families. Many many golf trips with your seven woods in your bag. LOL Thanks for always being a friend we could count on and for sharing the last 40 + years with us. We're so sad now but it's worth it for the joy of knowing and loving you Gary. Sharon..you and Gary's beautiful family will always be in our hearts.

“ We grew up in a very small house, all three of us boys slept in one bedroom, so we laughed and fought together! When we were older, we road our motorcycles out thru the western states and back, too many memories to share! I am sure my Mom will have some of her cast iron skillet Swiss steak ready for you, burnt just a little the way you like it! Save a chair at the table for me, I will bring the cards!
Sharon, thanks for taking such good care of my Brother!
