“ *It's been 7 years since you've been gone.... Each day is still just as hard without you too guide me. You are truly missed so much Daddy. Every single day you cross my mind. I wish I could see you again, it breaks my heart every time I even think of your voice. You would have been 55 in two more months an honestly from November to February aware the hardest times for me... Gosh I miss you sooo very much, I will always love and cherish our memories that I think about daily.*

It's been 2 years of me writting the last message an i remember it like it was yesterday. 9 years really isnt a long time when it feels like yesterday. Gosh do i wish you were here! Theres so many days that go by that i really wish I could talk to you an have your advice.. or just those days where you used to just take me somewhere when you knew i was down... Daddy i needed you soo much more then i could have realized i needed you... you're still my whole world.

“ My Deepest Condolences to the Family or Gary Donald Van Hoffman. Your dear loved one, Gary will truly be missed... What helps me to deal or cope with losing someone you love is this Scripture (John 5:28,29) reads: "Do not be amazed at this, for the hour is coming in which all those in the memorial tombs will hear his voice (Jesus') and come out, those who did good things to a resurrection of life. Please take comfort in these words. see www.jw.org for more information
