

Gayatri Surendra Chaudhary

February 1, 1938 - June 4, 2025

Jay Yogeshwar & Jai Shri Krishna

It is with deep sadness that we inform you of the passing of our dear Smt. Gayatri Chaudhary, on Wednesday, June 4th, 2025. Gayatri was the beloved wife of Shri Surendrasingh Chaudhary, a devoted mother to her two sons and a daughter, Ashish, Manish and Archana, & a cherished mother-in-law to Archana, Darshita and Devang. Lastly, she was a loving grandmother to Yash, Aashil, Ayush, Aaryan and Chaand. Born in India in 1938, Gayatri was a professor of English at LD Arts University, who balanced her professional life as an educator with her life as a Mother of 3. She was a lover of music, arts, and conversation, illuminating any room with her spirit. Her elegance, grace, and kind-hearted nature left a lasting impression on all who knew her. She touched many lives with her warmth and gentle presence, and her memory will remain forever in our hearts.

Sad to hear about Aunty's passing away. We have fond memories of Aunty from our college days. We would drop in anytime, spend hours at your home. “ *I only had the privilege of meeting Dadi a few times, but each visit was deeply meaningful and left a lasting warmth in my heart. Her laughter could light up a room and bring a smile to everyone around her. The love she had for her family stayed with her, clear and unwavering. It was clear that nothing meant more to her than her children and grandchildren. She was truly one of a kind and will be deeply missed.*

“ Gayatri aunty was one of the most positive people I met, full of love for her family and friends. She broke barriers by being a full time Professor in an age where women seldom worked in a small town like Ahmedabad. At the same time, she raised three wonderful children, one of whom I have the pleasure of calling my Mami and who shares the same amount of warmth and compassion. Our condolences to the Chaudhary Family.

“ Gayatri Aunty shared a special bond with us because both of us belong to teaching profession. She would always light up any gathering by her amicable style and lively conversation. Her candid nature and transparent soul would instantly make a friend out of a stranger. We are not ready to believe that she is not around because her voice constantly resonates in our mind and our heart. Her inspirational journey through life's struggles, dedication towards husband as well as focus on building a strong character in her children will keep inspiring one and all forever. We do not have any doubt that God is in great company now. Aunty, we will remember you forever 🙏

“ Praying for Gayatribuaji's soul to find a special place with her loved ones. May her love and blessings keep guiding the entire family. I have fond memories of buaji narrating her experiences as an English professor, even during the times where women didn't study, let alone go to work. She would gracefully drive her 2 wheeler to work along with running errands. You inspired the next generation by leading as an example.

*Rest in eternal peace Buaji. Om Shanti

“ Dear Uncle, Ashish, Manish, Archana and all better halves and grand kids- very very sorry to hear of your loss.

Mom was always around when us friends used to visit after college. Always had a wonderful smile and a lovely hot chai/ nasta or a wonderful meal ready in spite her long hours at work. Thanks for being a motherly figure during our formative years!

Was very fortunate to catch up with her and Uncle a couple of years back after nearly 20+ years - thanks to Ashish.

May her soul rest in peace and am sure all of us will for sure have lovely memories and all the positives that mom brought with her presence.

God bless her soul as she looks down and wishes us all the very best!

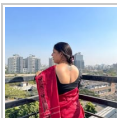

Om shanti!

“ A motherly figure fir almost five plus decades. As neighbors we always had very cordially and emotionsl relations. Me and Gayatri Aunty shared common birthdate. A very caring mother, a respectable wife, a wonderful human being, a great literatuer, caring and emotional mother to Ashish, Manish and Archana and at the same time she was so warm and living to whole of my family. May Mateshwari grant her pious departed soul Mox and render enough courage to the bereaved family. We shall miss her presence, always.

“ Dear Mausiji,
I will miss our conversations in "high English"
as you often described it, when we used to
joke about memories all the way back to
1960s when I stayed with the family in
Ahmedabad for over a year and then in later years with Devina,
Sanjay and Sunaina.
A truly gifted and humble professor who taught us more outside the
classroom than we could ever learn inside. Fond memories will stay
with us forever. Love and blessings from Rishi parivaar.
