“ *Gayle was a highly influential individual in my life. I looked up to her for a multitude of reasons - but her grace, compassion, and generosity always took center stage. She was so deeply loved by so many. It is a sad day on earth for those who loved her dearly, but heaven is rejoicing at the new angel before them. May all who knew and loved her find themselves comforted with the peace of fond memories. And may we all find the strength of character within ourselves to carry on the torch that made her shine so brightly. So much love to the Weast Family. Wish we could be there in person. “ Being a friend with Gayle made life more joyful. We will miss her sweet smile and sparkling eyes. I shared the crazy times at the Pistons games as part of her group. We did everything we could to get on the Palace TV and she loved it. For many years, we traveled as a group of five or six women to Petoskey, with Gayle as our leader! It was always an adventure. When life was tough, Gayle would show up at your door with food for the family. Her thoughtful gesture made things seem better. She was so very special, unique and brave.

“ Gayle, what can I say. She’s been a dear family friend since 1969 when we both lived on Orhan avenue part of the first subdivision built in canton. As a child, I always remember her being warm & friendly to my sisters & I. As the years rolled on, she celebrated the good times with us (weddings, birthdays, baby showers, graduations) and shared our grief in the dark times life has a way of bringing. I will always be inspired by her generosity, thoughtfulness and optimism!!! I try to be like that towards others by her example. She was quite an amazing lady! Her healing of stage 4 cancer was nothing short of a miracle by God! I’m glad He granted her many more years here. Laura, Marybeth, norm I will be praying for you all as you grieve the loss.

“ *I adored Mrs. Weast and always loved seeing her throughout the years. When Laura and I lived together 30 years ago, Mrs. Weast made it her mission to stock the fridge with an abundance of homemade meals and cut-up fruit. And I'll never forget when Mrs. Weast flew to Chicago to be at the baby shower that Laura hosted for me, because my own mom was not able to be there. A few years later, she delighted my daughter by creating a birthday party for her pink dolly. Mrs. Weast was also such a good sport, like when she'd be on the receiving end of silly prank calls from Laura and me. The thing I will remember most though is how much Mrs. Weast loved being a mom and grandma. It was clear that she absolutely adored Laura, Mary Beth and her treasured granddaughters Abby and Riley. Mrs. Weast was so loved and she will be missed so much.*

“ Mrs. Weast and I shared many passionate discussions about our beloved NBA teams...for her the Pistons and for me the Chicago Bulls! I cannot think of a kinder, more gentle and loving person who was so incredibly supportive of both of her daughters, Laura and Mary Beth. I know that Abby and Riley fiercely love their "Giggy" and she was such a proud Grandma who drove down to the Chicago area for EVERY dance recital the girls had. She was also, of course at their Bat Mitzvah and many other cherished family events. She will be dearly missed by all that loved her. I pray that all of these wonderful memories and thousands more will provide some comfort to all of her family. Love and prayers, Sheryl Nussbaum

“ When I think of my childhood, Gayle immediately comes to mind. She was always a welcoming presence on Orhan Avenue. I will always remember the icy-cold air conditioning, yummy treats and Gayle raking her shag rug!
I am also grateful for her friendship with my mom. She was a steady and warm friend for over 50 years.
Gayle will be missed by so many.
