“ I always loved it when Gene would come out to our Plymouth Community Band concerts in the park. He would share memories of songs (especially 40's big band arrangements). Even some that had special meaning for him and Jane. It was really great to connect over music on a nice sunny day in the park. He will be missed.

Gene was my second father and the Overholt's were my second family. He and Jane were wonderful role models as loving parents and servants of God by helping others. My favorite memories are of Gene with his fishing pole in Florida and off Barb and Michael's dock at Rush Lake. He will be missed by many. I love that smile!

I first met Gene and Jodi about 10 years ago when Gene agreed to be a guest speaker in my Military History class at Salem High School. The kids LOVED hearing Gene's story of his life and his time as a soldier during WWII. In fact, each semester many of my students would stay well after the hour was over to continue to ask questions and hear more stories! It was an absolute honor to have met and become friends with Gene. I will forever cherish my time and conversations with him. Rest In Peace.

Gene Overholt and his wife Jane were good friends of my dad and mom (Betty and Bill Peters) thru Huntington high school and beyond. I remember making many trips to Michigan and they came to visit us in Fort Wayne. There are many pictures and movie videos of all of us kids running around.

Gene and Jane were great parents to Carol, Barb, Jodi and we all had great visits. Am certain they probably spoiled their grandkids to best a grandparent could.

Gene was one of smartest, kindest, thoughtful, person I can recall. A best dad and granddad ever for sure.

What a guy. I knew he did a lot and was very involved in many things and people. Glad obit covered so much.

He was one of the greatest in the greatest generation.

Plus, just a great guy. Dad and Mom thought the world of Gene and Jane.

To Carol, Barb, Jodi tell 'em I said hi.

And know their dad was one of the good guys, easy goin a good smile/laugh and one of best persons I ever knew.
