“ Gin, was a first cousin to my grandma and also a first cousin to my grandpa. So I was always told she was my double cousin. I couldn't have been luckier to have her in my life. She shared many pictures of our family history along with many stories me. To explain the double cousin my Grandpa was Willard Petty and my Grandma Euline Hays. Gin's Mom was Ida Petty and her Dad Vernie Hays. I once asked Geneva when she was 90. If you never knew how old you were how old would you be. She said I've never been asked that question before ,but I would have to say 30 I feel 30 and I believe that young spirit was with her all of her life. I loved Gin and I will miss her,but I will always remember her. GODSPEED to Art
