*Dear Pat, Pam, Mike and all of your families,
I am very sorry to hear that George has passed away. He was the
nicest man I knew. He was always ready to smile, joke around and
seemed to ALWAYS be happy. Words are hard to come by, like you
I will miss him. I regret that my health won't allow me to attend the
memorial but know my heart and thoughts are with you.*

“ George,

*You were the first one that welcomed me into the family with open
arms. You have been the family rock - our hero. I just couldn't have
asked for a more special father-in-law. We had our special little
bond... I Thank You for that!!*

So much more I can say, but those who know you, already know.

I'm sure gonna miss you. I love you with all my heart. xoxo

Love always,

Diana

“ I remember Uncle George being a strong and gentle man. It has been years. Which I regret, but the last visit was nice and with my sister we all had a great time. I do feel good knowing that my sister is with him right now. My prayers are with you Aunt Pat, Pam and Mike. Love Julie Gyde

Please know how heartbroken we were to hear about George. We have great memories of all the good times spent with your Dad and your family from back in the Massey Furguson days. He was a kind, good man and he will be missed. Please know you and your family are in our every thought and prayer.

“ Dear dad,
You have no idea how much you are missed and by how many you were loved.
I always took it for granted you would always be here and I never expressed these feelings to you nearly enough. We had our good times and bad but all your advice, opinions, and guidance has made me to who I am today.
You were far more than just a father to me, you were my best friend,...my role model,.....my super hero!
I miss you,
Mike
