“ You always made us feel welcome. Mary and you were always welcoming us with open arms. I will always cherish all the memories in Westland and the lake house. We've been through good and bad times over the years. And, no, George, I didn't drink all your beer while you were sleeping. Lol. You can fly high with all the Angel's. In loving memory

“ *Grandpa George,
"You will be deeply missed and forever in my heart." I will always cherish the memories we had together at the lake house. I will never forget when I was younger you told me I was born with a tail and they had to cut it off and I would spin in circles trying to look for it! You always made me smile and I know this isn't goodbye it's a until I see you next time. You will always be in my heart <3 R.I.P.*

Love always your granddaughter ,

Tarah
