“ To George's family, I was so sorry to hear about George. We shared news about our families, our thoughts, etc. I was a widow for over 13 years when I met George a few years ago. We became friends, had dinner dates together once in a while. I was very comfortable with him--we had discussed just being friends and that's what we were. He was always a gentleman. I will be having a Mass said for him at our church, Sacred Heart in NSB and he will remain in my prayers. My sincere sympathy to all of you. I know you will miss him very much.

“ George was a wonderful guy! We always looked forward to seeing him in Florida. We went out to eat at Carraba's restaurant many times and he ALWAYS enjoyed having a good time. He wanted everyone there to have a good time as well. He always had a kind word and a chuckle for us. Jerry golfed with him many times and always came home with a story about George & we would sit back and laugh at something he said when golfing with Jerry. He certainly will be missed by all his friends in Florida and in Michigan. We sign off with many prayers for the family and many good memories of George.
