“ Dear Kelly, Jake, Emily, Aurelia and Chuck & Family, We are so saddened to lose George. He was more than just a good neighbor, he was our friend. He always greeted us with a smile. He was there if you needed a helping hand as a good neighbor and friend. We already dearly miss him and will miss the conversations we had. Helen Keller once said: "What we have once enjoyed, we can never lose. All that we love deeply becomes a part of us" Take care of each other and let the memories of your years together help you. We are here for you at any time. If you need anything please call. We know calling or stopping by and asking for help is not your thing so we will call on you to see if there is anything we can do.
