“ I am a Minister of Jehovah's Witnesses my wife and I would like to give you and your family our deepest sympathy for the lost of your loved one. We would like to leave you with these words of encouragement from Gods word the Bible. At Job 14:14 it ask the question, "If a man dies, shall he live again?," The bible makes the promise: Your dead love ones will live...They will rise up. The bible also says, The righteous themselves will possess the earth and they will reside forever upon it. Isaiah 26:19;Psalms 37:29. May you find comfort in these scriptures and in the loving memories of your loved one. If you have any questions or concerns about the lost of your loved one feel free to email us at ctksdk@yahoo.com Sincerely,
Carlos & Sandy

“ We are deeply saddened by the loss. George hired me into the Ford Motor Company. His engineering and analytical skills were admirable and emulated. I learned a lot from him. It was an honor to have him in attendance of my company 30th anniversary celebration. We were neighbors and fellow congregational members of Holy Trinity. We will miss him.

“ What sad news to receive. George was a true friend at Ford, and I will always remember the times he and Ed heiser helped me get started in radio control model airplanes and going to the Toledo RC show. I remember he was a runner and I think was in several Boston marathons (?). Good by, my friend.

“ There could never had been a nicer neighbor. He fascinated the children with his airplanes, always had a treat ready for the dog who would run over as soon as she saw him, and easy conversation for us. It somehow is not enough to say, "He will be missed." His children were lucky to have such a wonderful guy as their father.
