“ We met the Mcintosh Family back 2013 when we were stationed in Port Hueneme and our path crossed again when we got stationed in Japan. Everytime I see George first thing he sez will be “hey miss!” with a beaming smile and will not forget the fresh caught fishes he spared us back in Ventura, on several occasions we got to savor his grilling skills , his barbeque is the best!!! These couple are very humble and kind... I would say, we are honored to be a part of their circle of friends and more than blessed to have met these beautiful loving Family headed by a sublime wonderful man, George... you will always be remembered , Sir!

“ Just as God appointed leaders to lead The Israelites and his people, I believe that uncle George was called to lead and be a leader for his family and for our Country.

Gods hands was upon uncle George in every detail of his life through all the successes he attained working his way up to Lieutenant Commander in the US Military.

He exemplified and had a heart like Jesus by the way he dedicated his life by serving our country, serving his family and serving others.

“ I remember Edward sitting on his lap at the age of 2 (if that) as he patiently taught him how to play the drums in Port Hueneme. He will be greatly missed.

What a great guy!! My brothers best friend when we were younger. George was always at our house making us laugh. We were able to catch up a few years ago on Facebook and reminisce about the fun times and stories from when we were kids. Gone too soon. 😭
