“ To the entire Nick family just want to let you I'm for your loss. Be tough he's in a better place now. I don't know where I was but Dave ,Dave Smith and myself were at some function and you dad was there. It may have been Daves batchelor party and we told Mr. Nick that we were transferring over to his house to throw some horseshoes. I told him not to worry I'm picking up a couple cases of beer. We were just kidding but he thought this was really going to happen. It was so funny the look on his face and how he responded no no. You had to be there. Anyways a incredible great person. You should be proud. Thanks for including me in some of your family activities. It was an honor to get to know him over the years. Joseph P. Komos
