“ *Hi Terri, Josh & Jake, I hope you remember us. Tom & Michelle (Jade, Sage, Kendall & Joey) your ex-neighbors from across the street. Tom & I were so sad and shocked to read that Jerry had passed. We are so terribly sad for you and all your family. We have been up here in Lapeer for over a year now, but we still miss all our wonderful friends and neighbors. It is neighbors like you that have made this move a hard one. You were always great and wonderful people. Our hearts ache for you and your loss. I hope that you will all find Love and Peace in your hearts to get you through this very sad time. We will be thinking of you always. Love The Strayhorns, Tom, Michelle, Jade, Sage, Kendall & Joey*

“ I have known Jerry for about 35 years. When he was growing up he along with his parents and brother lived down the street from me. My wife and I were very close friends with his parents. Jerry was always a quiet and peace loving sort of person always willing to help someone out. He will be sadly missed. He left us too soon.
