“ *I will miss seeing your smiling face and talking with you was a special person to me*

“ *I did not have a chance to get to know Jerry until recently. The last few weeks have been such a blessing for my husband and me because we not only got to know and love Jerry but learned the true meaning of grace and strength in the face of terrible suffering. I wish I could put into words the depth of his fortitude while going through such a difficult time. Sadly, we didn't have him in our lives very long, but I learned a great deal from him about the kind of person I want to be.*
