“ *Dad life is difficult I know you know. If you were still here none of this would be going on!!! I pray everyday that your watching over us and pointing us in the right direction.*

I love you so much and miss twice as much!!! Hard to believe you left us 2 weeks ago! ❤️🙏

Death takes the body. God takes the soul. Our mind holds the memories. Our heart keeps the love. Our faith lets us know we will meet again.

“ It's so clear by all these beautiful pictures how much Gerry was loved and how much he loved being father and grandfather. He lived a full life surrounded by an amazing family. I'm so sorry for your loss. My heart goes out to you all. He will always live on in the memories created and the faces of his children and grandchildren. My sincerest condolences. xoxo
