“ *So much i could say, Fact is, i am still at a loss for words. Tough to deal with, i will live the rest of my life the strong person my dad helped mold me. My dad was always there for me, threw thick and thin and that meant-means so much to me.*

*i love u dad!*

“ *The best thing a son could have is a GREAT FATHER. Scott, you and I are extremely blessed to have such supporters in our life.*

*Your father loved to watch you play. From our Westland Federation days all the way through the softball CHAMPIONSHIPS.*

*Nothing compares to the time you were able to spend together. I remember all the tournaments he was at and was your loudest supporter. He was also your loudest non-supporter too! :-) He wasn't afraid to tell it like it is and that's what molded you into a true Champion.*

*Unfortunately, he will not be there to see you inducted into the USSSA Hall Of Fame next month, but I know and so does everyone else. He's damn proud of you!*

*So many memories that will never be forgotten.*

*God Bless you and your family, and if you ever need anything, I'm here for you buddy!*

*Love you man!*

*My prayers are with you and your family Jerry and Scott. Your father inspired me and many softball players during our careers. He could also play with the best of them. I enjoyed listening to his softball stories about back in the day. He will be sorely missed by many.*

*Mr. Nastally left a lasting impression on me when we worked together in 1983 and 1984. "What a small world" I thought when he moved in behind me some 20 years later. We spent a lot of time talking and sharing stories over the fence. My wife and I will miss him very much, he was a great friend and neighbor.*
