“ Sorry to hear about Jeri’s passing. She was a classmate and friend as we were growing up in the Polish community of South Chicago Bush. She was a great gal and I was glad to see her after many years when we ladies from St Michael High met for lunch. Terry was also a classmate at St Michael School. RIP Jeri.

“ *Renee (Kowalski) Grandys  
Geri and I are cousins. We had become really close as I got older. The day she married Terry she had nothing but love and admiration for her husband. She always said she and I looked like sisters, which I was honored she felt that way. When Terry would go in Reserves after she had Ginny I would stay with her during his absence. I loved every minute of it growing a bond I knew would continue. Geri I love you with my whole heart and soul! I'm sure the family is up there waiting for you and my mom made her famous nut rolls, but don't tell Terry! ❤️*

“ *I have know Geri from the time she was born. We were products of the “Kowalski “family. So many Christmas' trying to avoid eating Czernina and the wrath of Nana. Celebrating birthdays together, picnics at Riverside Park. Geri met her Prince Charming at an early age and loved him and the family they built unconditionally. I know that even though we have been apart I have never stopped loving her and praying for her and her family. Love you, Geri.*

“ *My sister-in-law, Jeri, was a kind and loving woman. I always looked up to my brother, Terry:and Jeri’s marriage as something I would be fortunate to have one day. And I do. No one baked more delicious Christmas cookies. I have known Jeri since I was 12 or 13 years old. Although we were separated by miles, I will miss her dearly.*

“ *We’ve had so much together , traveling to Mexico and to Florida . We share 3 grandchildren together and had so many holidays together , such fun times. Geri made the best Christmas cookies , looked like professional baker ! Loved her sweet potatoes at the holidays too. There are soooo many things I will miss. We were best friends. She was a super Grammy to our grandchildren, I will try my best to comfort them now.*
