“ *I have known Gerri since I joined the STAB Pinochle Group back in 1986. I had just moved here from Cleveland and enjoyed her friendship. She befriended my mother who would come and visit in the beginning for 2-3 weeks at a time. Gerri, my mom, myself and my two little ones would go to breakfast every time my mom would come into town. When my mom got Alzheimer's and no longer came to visit from Cleveland, Gerri would send her letters and cards. It was a very special thing to do on her part, but that says who Gerri was, a very special lady. Maria Jagalla and I had a wonderful visit with Gerri last year just before she moved to her new living area at Henry Ford. We sat and went through all her pictures and just reminisced all the events of our lives since we knew each other. It really was a loving time and I am glad we were able to have that visit. She will always be in my heart as a wonderful lady who God gave me the pleasure to know and love.*

“ Our deepest condolences from all of our members of STAB Pinochle Club to your family. I myself first met Gerrie when I joined the Club many years ago. She was always known as one of the sweetest ladies who was always willing to do whatever she could to see that everyone had a great time when she hosted the club in her quaint and loving home. She was so loving to her husband and so proud of telling me about her childrens accomplishments. She was the dearest hostess who never had a negative word to say about anyone. We were all saddened when she had to leave us and move to Dearborn. She was greatly missed by all of us. Gerrie, save a spot for us at your table when hopefully we can all be together and enjoy your company again. Got a run??? Love from your STAB Pinochle Family.

“ My name is Darlene Vaughan, and as a long time employee of St. Thomas a'Becket, I have been very privileged to meet and get to know some very "special and truly unforgettable" people. Geri Engler was definitely one of them! She was our first Church Sacristan and with dedication and true humility, lovingly took care of the altar and made sure all linens used at God's table were immaculate! Geri was a quiet little French lady who was present at many church functions and enjoyed a good time. A real giver, she was always ready and available to assist wherever needed. If the parish needed a job done - we'd call Geri! Over the years, we became good friends and shared both tears and laughter. I have no doubt that Geri was one of God's special people and a gift to anyone who was privileged to know her. She was a good and faithful servant who loved and served her God well and I have no doubt that the altars in Heaven have never looked better!
