“ Auntie Gert,
Oh how the memories are flowing in! I spent a lot of time at your house as a child and Christmas Eve will always be ingrained in my head. I also remember visiting often when I stayed with Great Grandma Kania when you and Uncle Lenny were on your " adventures" across the states! When I got a little older, I used to visit with Mandy when she was just around the block. I will always remember those fantastic times and hold them close to my heart! I love you Aunt Gert...,

Love,
Candice

“ Grandma Budd,

You were the patriarch of our family. I owe you more than you will ever know. Thank you for being who you are and teaching me to do the same. I am who I am in life largely because of your influence. I will always love you and as I will keep my promise to you of "taking care of my teeth".

Your forever in my memory.

Michael

“ *Our deepest sympathy to you in the loss of your mom. My mom and I enjoyed visiting with her numerous times. As a child I stayed at your home while my mom was in the hospital. I remember the stay fondly. Thank you for including us in your life. I always liked the parties at your home. Hope you're singing with the angels now! . .*
